**[OMB Number 1140-0055]**

### **Agency Information Collection Activities; Proposed eCollection of eComments Requested; Revision of a Currently Approved Collection; Identification of Explosive Materials**

**AGENCY:** Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

**ACTION:** 30-day notice.

**SUMMARY:** The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), Department of Justice (DOJ) will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed collection OMB 1140-0055 (Identification of Explosive Materials) is being revised due to a reduction in the number of respondents, the total responses and public burden hours associated with this IC, since the last renewal in 2019.

**DATES:** Comments are encouraged and will be accepted for an additional 30 days until [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](https://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review - Open for Public Comments" or by using the search function.

**SUPPLEMENTARY INFORMATION:** Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and, if so, how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection:* Revision of a currently approved collection.
2. *The Title of the Form/Collection:* Identification of Explosive Materials.
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:*

Form number: None.

Component Sponsor: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S.

Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.

Other: None.

Abstract: Marking of explosives enables law enforcement entities better trace explosives from the manufacturer through the distribution chain to the end purchaser. This process is used as a tool in criminal enforcement activities.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 2,066 respondents will respond to this IC

approximately 520 times once annually, and it will take each respondent approximately 3 seconds twice per day to complete their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 895.3 or 895 hours, which is equal to 2,066 (total respondents) \* 260 (# of workdays) \* 0.001666 hours (average time to complete each response).
7. *An Explanation of the Change in Estimates:* The adjustment associated with this collection is a decrease in the number of respondents by 87. Consequently, the total responses and burden hours were reduced by 45,240 responses and 38 hours respectively, since the last renewal in 2019.
